1U Rack Mount Viewing Station

Datasheet

The AS62R is optimized for small-to-medium video surveillance applications and delivers the performance required for the most demanding megapixel installations. With its 1U rack mountable form factor, it is ideally suited for data center viewing applications.

Powerful viewing station, built around the Intel Xeon processor and Nvidia GPU.

Purpose-built open Windows platform to integrate Video Management Software (VMS). All major VMS providers are pre-qualified. Most are continually added to ensure the widest possible certification coverage.

Effortless installation, management and administration.

Rasiliant provides a **complete physical security solution**. All necessary components are offered, including high-performance recording, viewing/monitoring and administration servers, and high-performance storage.

Features

- Intel Xeon E2300 Series CPU
- Nvidia T400
- Up to 128GB RAM

Applications

- Security Operation Centers (SOCs)
- Small to Medium Installations

Specifications

CPU	Intel Xeon E2300 Series
GPU	Nvidia T400
RAM	Up to 128GB DDR4 3200Mhz
Networking	2x GbE, 1x RJ45 Dedicated Management
Input/Output	2x USB 3.1, 4x USB 3.0, VGA, HDMI, mDP, DP
Max Number of Monitors	3
Dimensions (W x D x H)	16.9" x 15" x 1.7" / 430 x 380 x 44 mm
Weight	Max 30 Lbs / 14 Kgs
Power Supply	350W 80 PLUS Gold 100-240 Vac, 6A-3A, 50-60Hz
Operating Temperature	10 - 35 °C

* Configuration of product may differ based on options
